Call to Order

Meeting called to order at 8:04 a.m. by Chris Hanmer

Reporting

Financial Report – Matt Nelson presented the Statement of Operations, Balance Sheet, and Statement of Cash Flows from December of 2023 (year-end report) to the board and others present.

Leased Parking Occupancy Report - Matt Nelson provided an update on the occupancy numbers of all ramps and open lots. At the time of the meeting, total occupancy was 71% of all spaces occupied.

Old Business

Expanded Hours – No major news to announce on this subject. Continues to be a talking point on expanding enforcement times. Would like to see an outside movement from Downtown businesses calling for this to be a reality.

New Business

2024 Pavilion Ramp Repairs and Maintenance – Matt Nelson informed the board that construction work has started at the Pavilion ramp located at 121 W 12th St. The project is mainly repairing concrete and other general ramp upkeep items to ensure the ramp maintains its condition for the future. Notices went out to leased parkers about the work being done but should not hinder parking too much as they do work in different sections at a time.

2024 Facility Assessments - Board members were informed that the next two major ramp projects would likely be C4 (120 S Main Ave) and D1 Ramp (110 E 11th St) as they are due for repairs and maintenance.

Next Meeting Dates and Agenda Items – The next meeting was tentatively scheduled for July 2nd, 2024.

Public Input - None
